Oh yeah

Look at how easily they all are lead
Lead right into damnation
They follow the leader hand in hand
Right into damnation

Don't feel so sorry about em'
They have a brain they do not use it

Oh yeah

Look at how blindly they are lead
Lead right into damnation
No trace of thought inside the head
Lead right to their death

Don't feel so sorry about em'
They have brain they do not use it
Woah yeah
Don't feel so sorry about em'
They have a brain they do not use it
Woah oh

They're lead, they're lead, they're lead
They are lead

Don't feel so sorry about em'
They have brain they do not use it
Woah yeah
Don't feel so sorry about em'
They have a brain they do not use it
Woah oh
Don't feel so sorry about em'
They have a brain they do not use it
Oh
They have a brain they do not use it
