"Marked Tomb"

I wear the mark in death
Guided by evil force
I wear the sign of sin
I let it take the course
I traverse with the damned
Been to the blackest parts
I bear the devil's stain
I wore it in my heart

Mark it on my tomb
I've been sent to doom
But I don't mind your mark
I keep it near to heart

Step down to see the mass
Come closer to the fire
Strip off your excess thought
Throw in your own desire
Piss wine and bleed a feast
Shake the earth from down below
Invocation in black
Prepare to let it all go

Mark it on my tomb
I've been sent to doom
But I don't mind your mark
I keep it near to heart

I don't care for your superstition
An evil man you saw I was
Tomb is marked with the devil's sign
But I don't really mind

Mark it on my tomb
I've been sent to doom
But I don't mind your mark
I keep it near to heart
I don't care for your superstition
An evil man you saw I was
Tomb is marked with the devil's sign
But I don't really mind
