I want to end it all
I want to depart from this life
I want to leave it all behind
I want to seperate myself
I will

Can not deal with this
Bullshit life no more
I can't cope with all the agony
I can't bear this constant war

I want to end it
End it all
Seperate myself
Suffocate myself
Goodbye

I won't put up with it
I dealt with far too much shit
I've seen the world you love break me down
I want to drown

I want to end it
End it all
Seperate myself
Suffocate myself
Goodbye
I want to end it
End it all
Annihilate myself
Suffocate myself
Goodbye
