"The New Lord"

No time wasted praying for gain
Think for yourselves for once
Drop all those outdated faiths

The new lord
No savior
I am
The new lord
No savior
I am

Why bother with idol worship
So devoted and equally unsure
Get with the times and learn

The new lord
No savior
I am
The new lord
No savior
I am

God won't save you
Nothing will save you
God can't save you
He just isn't there

The new lord
No savior
I am
The new lord
No savior
I am
