I make my home on the black and dead land  
I live with the cretins and ashes in sin  
High class society's full of the low lives  
I found my place down in hell

Don't tell me I'm damning my soul  
Fuck you ain't trying to save me at all  
You say on the judgment day I'm doomed  
I think you are full of shit

You come at me with a book full of truth  
But the real truth is that it's nothing but lies  
Converting the free into zombified fools  
Salvation's a lie, there is no prize

Don't tell me I'm damning my soul  
Fuck you ain't trying to save me at all  
You say on the judgment day I'm doomed  
I think you are full of shit

This ain't no fuckin' reckoning day  
This ain't no fuckin' reckoning day  
This ain't no fuckin' reckoning day  
This ain't no fuckin' reckoning day
