[Hook]

Blaze up and blow, blaze up and blow, blaze up and
blow

Blaze up and blow, blaze up and blow

Got a swisher sweet cut it down the middle, fill and roll

Blaze up and blow, blaze up and blow

[Dougie D]

Right now, everybody trying to smoke some'ing

Give me a feeling, you let a nigga roll some'ing

Fuck it we can put it in the bong, do it just like Cheech
and the Chong

Huffing and puffing, till our eyes shut

Cutting corners, in the LTD

It be, D-O to the U to the G-I-E

Dash G-M double A-B

Smoking and choking, on nothing but the finest of
good green

Inhale, hold up for a second exhale

A beautiful aroma, that everybody could smell

Call matching when I get your dome, wait put 'em in

Brothers made, for the women as well

From the earth to my lungs, from my lungs to the wind

Wait a few minutes, the feeling's start to kicking on in

Yes indeed, real real good weed

With no stick, no stems and no seeds

[Hook]

[Dougie D]

I know something, that you don't know

I got a ounce, and a half and a bag of blow

Fuck it, let's take a journey over to the sto'

Get up out these boxes up off, and then we can roll

Just you and me, that's all that's smoking

Call a few bitches, so we can get this thang open

Get 'em tripping, and laughing at all of my jokes and

Two of them betas, wanted Dougie D to go poke em

Hol' on boo, bitch I'm trying to blaze right now

And I'm really not concerned, with your pussy anyhow

All I want is a shot of that mouth, I skeet in her mouth

And back to the gutter, where I'm making my route
Cause I'm a mob made mo'fucker, in the air
It's a bird it's a plane, hell naw
That's Dougie D, getting gone on that good ass green
How many times, I'ma have to tell y'all
