Quiet day  
Reminds me of ice  
Quiet sound  
Lies stark against my life

For in my head  
There is a rattling noise  
A carnival of so much  
Meaningless noise

Tins a clattering  
Full of this and that  
Urging me forward  
Pushing me back

Turn away  
Turn yourself away again  
Screaming into sleep  
The pain of quiet day

I see a gray girl  
From my window passing by  
I put my drink down and cry

Things are shattering  
Everywhere around  
Is telling me something  
Breaking me down

You can't do anything  
You can't do anything  
You can't do anything  
No you can't, no you can't  
No you can't

Quiet day  
Reminds me of night  
Quiet sound  
Push still against my life

For in my head  
There is a movement of noise

The electricity  
Of meaningless noise

Wires a rattling  
Sending this and that  
Urging me forward  
Pushing me back
