Shut up
You're way down boring
All you got are modern stories
All about the money rolling
And your crank possession holdings
Back off
You don't know me
I don't care for modern talking
You just don't wanna buy me baby
And I think you're a cockroach for trying
Someday
Someday soon
Life's gonna catch up
On you
Someday soon
Someday
Someday soon
It's all gonna crash down
On you
Someday soon
But your money won't see you through
Gonna lose it all
Gonna lose it all
It's coming soon
Someday soon
Hands off
You don't impress me
Neither do your jewels undress me
Or your car to drive me home
As your diamond studded clown
Back off
You don't get me
Neither does your gold possess me
You just don't wanna buy me baby
Take me around on a lead
Someday
Someday soon
Life's gonna catch up
On you
Someday soon
Someday
Someday soon

It's all gonna crash down
On you
Someday soon
But your money won't see you through
Gonna lose it all
Gonna lose it all
It's coming soon
Someday soon
You're gonna lose it all
Gonna lose it all
It's coming soon
Someday soon
