When it's black,
Take a little time, t' hold yourself.
Take a little time, t' feel around,
Before it's gone.

You won't let go,
But still keep on fallin' down.
Remember, how ya saved me now,
From all of my wrongs.. Yeah.

And if there's love, jus' feel it,
And if there's life, we'll see it,
Th's is no time to be alone, alone, yeah,
I won't let you go. [Ooo]

Say those words,
Say those words, like there's nothin' else.
Close your eyes an' you might believe,
That there is some way out. [yeah]

Open up, open up your heart to me now.
Let it all come pourin' out,
There's nothin' I can't take.. Yeah.

And if there's love, jus' feel it,
And if there's life, we'll see it,
Th's is no time to be alone, alone, yeah,
I won't let you go. [Won't let you go, won't let you go]

If your sky is fallin', jus' take my hand and hold it,
You don't have to be alone, alone, yeah,
I won't let you go. [Won't let you go, won't..]

And if you feel the fading of the light,
And' you're too weak, to carry on the fight,
And all your friends, that you count on have disappear.
I'll be here not gone, forever holding' on. Wo'ohohoh.

And if there's love, just feel it,
And if there's life, we'll see it,
Th's is no time to be alone, alone, yeah,

I won't let you go. [Won't let you go, [Oh, na]..you go]

If your sky is fallin', jus' take my hand and hold it,
You don't have to be alone, alone, yeah,
I won't let you go. [Won't let you, [Oh,no]..let ..][Yeah]

I won't let you go. No, I won't let..
I won't let you go. No, I won't let..
I won't let you go, No, won't let you go...
