[Hook - 2x]

Come on mami take a ride with me, cause you know
Ain't nobody doing it live as me, and you know
Ain't nobody out there as fly as me
Cause I'm a P-I-M-P, baby

[Dougie D]

Everything is pimp-a-licious and mack-a-lacious, in my
persona
Do what I wanna, constantly choking on marijuana
Pop collars and clock dollars, the Don Dada
And hoes holla, for Dougie Deezy and Montana
Take a ride with daddy, ain't nothing but pimping go on
and grab it
See you staring at it, looking just like you gotta have it
Cause the issue for realer mama, is you me and
cigarillas
Infested with killers smoking and choking, huffing and
puffing I thought I'd get ya
Now can you feel me, baby
You digging this pimping, I'm giving lady
Ain't nothing but my pimp-stroserous lavish, that be
having these hoes grabbing up at me
Be a good girl, and kiss it for daddy baby

[Hook - 2x]

[Tony Montana]

Boom shocka-locka-locka, I be the mic rocker
Crazy Cubano, A.K.A. the fucking cock blocker
Show stopper panty dropper, pimp bopper
You pinche putos ain't got nada, on Mr. Tony Montana
I'm a helicopter, cause I'm so damn fly
And these bitch keep on bopping, when I'm riding by
They all be knowing my name, but they call me Papi
Chulo
And let the lachocha vamos mami, de lo la dulo
Telo judo, can't nobody fuck you down like me
I break you off with so much game, I'll have to charge
you a fee
Pimping the greed and solo venture, come and ride

with me
I'ma spit it hit it quit it, then I smoke me some weed

[Hook - 2x]

[Verse 3]

You wanna follow the Caddy, it prolly make you wanna
holla
Clocking them dollas, screens falling from the visor
with Tont Montana
Keep a certain crook up on your mind, hear that 97.9
Spinning the records, a thousand times
In that H-Town it go down, the home of the Astro Dome
and roads
The break of dawn, we ride out on that chrome
We sip out of styrofoams, and smoking the finest dro
We creeping and crawling slow, got Gucci from head to
toe
I's a playa I suppose, that won't choose I get chose
My diamonds are all exposed, that's the way that
thangs go
We're all paid professionals, sipping drank to clear my
throat
Sit on 4's yeah they poke, never shall I be a hoe fa sho
