I work hard, I'm saving my marks
Watch what I do when I swim with the sharks
A new race and a new way to race
Feel ashamed as I live a disgrace

Gee, (G.) I'm (M.) living (B.H.) in a bear cage
Gee, (G.) I'm (M.) living (B.H.) in a bear cage

They never told me what was the truth
Just a young man losing his youth
Sell cars, sell meat, selling anything
Save up just to live like a king

Gee, (G.) I'm (M.) living (B.H.) in a bear cage
Gee, (G.) I'm (M.) living (B.H.) in a bear cage

Bear cage
Bear cage

You can keep your Brussels and Amsterdam
Give me back my summer in Dresden, Man
But they still got peace police over there
Drawing lines on a map just to show I'm there

Gee, (G.) I'm (M.) living (B.H.) in a bear cage
Gee, (G.) I'm (M.) living (B.H.) in a bear cage
Gee, (G.) I'm (M.) living (B.H.) in a bear cage

Bear cage

Gee, (G.) I'm (M.) living (B.H.) in a bear cage
Gee, (G.) I'm (M.) living (B.H.) in a bear cage
Gee, (G.) I'm (M.) living (B.H.) in a bear cage
