Down in the sewer  
Picking up quite a lot of empty coca cola cans  
And there sure are a lot of them around here

How did I get down here?  
Well it's a long story.  
I should have stayed down home out on the farm  
And kept my tootsies warm instead of freezing them  
off down here

There's lots of rats down here  
You can see the whites of their eyes  
They got sharp teeth  
Deep breath  
And lots of diseases

People say you shouldn't stay down here too long  
Lose your sense of light and dark  
Lose your sense of smell

I tell you what I'm gonna do  
Gonna make love to a water rat or two  
And breed a family  
They'll be called the survivors  
You know why?  
No  
'Cause They're gonna survive

I'll see you in the sewer darling

I'll see you in the sewer  
I'll see you in the sewer, the sewer, the sewer

I'll see you in the sewer  
I'll see you in the sewer

I'll see you in the sewer  
I'll see you in the sewer

I'll see you in the sewer  
I'll see you in the sewer
