Stranglers "Manna Machine"

Visit "Manna Machine" on MotoLyrics.com

After forty years and after forty nights
Making some food for the Israelites
Out on a limb inside the Heights
Lies a machine out of sight
Not much air, breathing still
Sleeping mummy who did you kill?

They closed your eyes and left you to rust Many prayed for you to turn to dust You need a man from hereabouts To find where you are and dig you out To find where you are and dig you out

And just one thing
If you're let loose
Can you still make cookies in your caboose?

Sleeping mummy
Sleeping mummy
Sleeping mummy who did you kill?

And one more thing
If you can hear
Don't go out again and disappear

And one more thing
If you can hear

Don't go out again and disappear
