It's not that easy  
Never to look back  
The years distort the lies  
We take for fact  
I had a black shirt  
But I wasn't one  
All my loving is not enough for that  
I had a black shirt  
But I wasn't one  
I had black thoughts  
But now they're undone  
Thoughts are eaasy  
And they're all I have  
All my loving is not enough for that  
All my loving is not enough for that  
How could I think it was ever like this  
The truth's the truth but did it ever exist  
I tell myself, well never again  
Never to look back  
'Cos it's never the same  
Never to look back  
Thoughts are easy,  
But they're all I have  
Life's not easy  
If all you do is fight  
The truth is changed by  
The memories we have  
All my loving is not enough for that  
All my loving is not enough for that  
How could I think it was ever like this  
The truth's the truth but did it ever exist  
I tell myself, well never again  
Never to look back  
'Cos it's never the same  
Never to look back
