Just look at that girl  
She knows the world owes her something and she's  
alright  
Just look at that girl  
She knows she's got that something and she's alright

She's got diamond rings from her dad  
She's got fancy things from her dad  
All the world, it wants this lady  
All the world, it wants her

So nice in nice, so nice in nice  
So nice in nice, so nice in nice  
So nice in nice, so nice in nice  
So nice in nice, so nice in nice

Just look at that girl  
She owns the ground she walks on and she'll walk all  
over you  
Just look at that girl  
She smiles and breaks your heart, there's nothing you  
can do

She's got diamond rings from her dad  
She's got fancy things from her dad  
All the world, it wants my baby  
All the world, it wants her

So nice in nice, so nice in nice  
So nice in nice, so nice in nice  
So nice in nice, so nice in nice  
So nice in nice, so nice in nice

Don't tell me lies you can't support  
I wouldn't believe you  
I wouldn't believe at all  
Even if I saw

Just look at that girl  
Where once she wore leather jackets, now she's  
wearing furs  
Just look at that girl

She walks around owning everything, that's not even  
hers

She's got diamond rings from her dad  
She's got fancy things from her dad  
All the world, it wants my baby  
All the world, it wants her

So nice in nice, so nice in nice  
So nice in nice, so nice in nice  
So nice in nice, so nice in nice  
So nice in nice, so nice in nice

She walks straight ahead  
Walks all over you  
She smiles and breaks you heart  
But that's okay

So nice in nice  
So nice in nice  
So nice in nice
