Out of my mind, I can't get you  
Out of my mind, I can't get you  
I'll tell you something, I feel hung over today  
I'll tell you something, this head just won't go away  
But when you smile, my day gets brighter  
And in a while, my head's gone away  
Out of my mind, I can't get you  
Out of my mind, I can't get you  
Let me tell you something, I'm high from talking to you  
I'll tell you something, your smell works better than  
glue  
And when you smile, I see the colours  
And in a while, there's a world brand new  
Out of my mind, out of my mind  
Out of my mind, I can't get you  
I'll tell you something, I got to see you today  
I'll tell you something, nothing can get in our way  
And when you smile, I see the sunrise  
And in a while, out of things to say  
Out of my mind, I can't get you
