Don't you like the way, I move when you see me?  
Don't you like the things that I say?  
Don't you like the way, I seem to enjoy it?  
When you shout things but I don't care

Something's happening and it's happening right now  
You're too blind to see it  
Something's happening and it's happening right now  
Ain't got time to wait

I said something better change  
I said something better change  
I said something better change  
I said something better change

Don't you like the way, I dance? Does it bug you?  
Don't you like the cut of my clothes?  
Don't you like the way, I seem to enjoy it?  
Stick my fingers right up your nose

Something's happening and it's happening right now  
You're too blind to see it  
Something's happening and it's happening right now  
Ain't got time to wait

I said something better change  
I said something better change  
I said something better change  
I said something better change

I said something better change  
I said something better change  
I said something better change  
I said something better change

I said something better change  
I said something better change  
I said something better change  
I said something better change

I said something better change  
Change, change, change
