Two sunspots are staring at me,  
One to the left and one to the right of me.  
Never seen a heat so extraordinaire,  
Just two sunspots so so so scared;

Just two sunspots  
Just two sunspots  
Just two sunspots

Spots are burning a hole in my eyes,  
Just two rough round red raw real sunspots.  
Rough to the touch and shy of the air,  
They start a little fire and the weather ain't fair.

Just two sunspots  
Just two sunspots  
Just two sunspots

Just two sunspots  
Just two sunspots  
Just two sunspots

Better pull the blind down, deny they exist,  
But anything you seen once,  
You're just gonna miss.

Just two sunspots,  
Just two sunspots,  
Just two sunspots,  
Just two,  
Just two,  
Two more,  
Two more sunspots,  
Just two sunspots,  
Just two sunspots,  
Just two,  
Just two,  
Two more,  
Two more,  
Two more sunspots,  
Just two sunspots,  
Just two sunspots,

Just two sunspots,  
Just two sunspots.
