I'm waiting every day I've been watching from my chimney stack
I'm waiting every week I've been hoping that they're coming back
I'm seeing all the signs and I'm learning how to bring them back
And I'm waiting for the Meninblack

(Waiting for the Maninblack)
(Waiting for the Meninblack)
(Seeking for the Loveinblack)
(Seeking for the Meninblack)
(Seeking for the Meninblack)
(Seeking for the Meninblack)

I'm standing on a hill and I'm looking for the glimpse of light
I'm clutching my teddy bear if I don't I might die of fright

I'm reading all the signs and I'm learning how to bring them back
And I'm waiting for the Meninblack

(Standing)
(Looking)
(Watching)
(Staring)
(Looking)
(Clutching)
(Standing)
(Looking)
(Clutching)
(Clutching)
(Clutching)
(Clutching)
(Clutching)
(Clutching)
(Clutching)
(Clutching)
(Clutching)

I'm standing on a hill

And I'm waiting for the Meninblack
And I'm waiting for the Meninblack
And I'm waiting for the Meninblack
And I'm waiting for the Meninblack
And I'm learning how to bring them back
And I'm waiting for the Meninblack
And I'm waiting for the Meninblack
And I'm waiting for the Meninblack
And I'm waiting for the Meninblack
And I'm waiting for the Meninblack
And I'm waiting for the Meninblack
And I'm waiting for the Meninblack
And I'm waiting for the Meninblack
And I'm waiting for the Meninblack
And I'm waiting for the Meninblack
And I'm waiting for the Meninblack
And I'm waiting for the Meninblack
And I'm waiting (for the meninblack)
And I'm waiting (for the meninblack)
And I'm waiting (for the meninblack)
And I'm waiting (for the meninblack)
And I'm waiting (for the meninblack)
And I'm waiting (for the meninblack)

And I'm waiting
