## "Walk On By"

If you see me  
Walking down the streets  
And I start to cry  
Each time we meet

Walk on by  
I walk on by  
And make believe  
That I can see the tears

Now, let me grieve  
In private 'cause each time  
I see you  
I just want to cry

I walk on by  
I walk on by  
I walk on by

I just can't get  
Over losing you  
And so if I seem  
So broken in pieces

Walk on by  
I walk on by  
And foolish pride

If I can't see the tears  
Then let me hide  
All the tears and the sadness  
You gave me  
When you said, "Goodbye"

I walk on by  
I walk on by  
I walk on by

Just go for a stroll  
In the trees

Walk on by

I walk on by  
And make believe

That I can't see the tears  
Now, let me grieve  
In private 'cause each time  
I see you, I just want to cry

Walk on by  
I walk on by

Now, you really got to go  
You really got to go  
You really got to go  
You really got to go

You really got to go  
You really got to go  
You really got to go, go
