No where to run, no where to hide
Mambo moving side to side
Time has come to turn the tide
It's All to You

For all the years of holding on
After all I had was gone
It's a new day with the dawn
It's All to You

Pre-Chorus:

All I ever hope to be
All I ever long to see
Is all of you
In all of me

All I am
and All I do
There's no doubt
It's all about,
All to You!

Chorus:

All of my love
All of my Praise
All of my joy
All of my Faith

All of my destiny
All my dreams
All of my soul
All of my Peace

All of my day
All of my night
All of my heart
For All my life,

I give it up

Live it up
All to You!

Verse 2:

From my future to my past
The Time flying by so fast
Found my faith that's built to last,
It's all to You

So Without a second glance
Won't need a second chance
It's time to dance the dance
It's all to you
