Step Right Up  
Step Right In  
The Show's about to begin  
You'll laugh  
You'll cry  
You might watch it all fly right by  
You'll never guess who the star will be  
Come in, Come on, Let's see....

As the Music  
Starts to play  
The spotlight shines your way.  
Every eye  
Turns to you  
To see what you're gonna do..  
Will you scream and shout?  
This crowds sold out!  
Come on, Tell me what your show's about?

Chorus:

One Time  
One Big Break  
One Dream  
One Leap a' Faith  
One Shot to give it all you got!  
One Life  
One Big chance  
One Love  
One Last Dance  
It's One go 'round  
So tell me do you wanna give it a go?  
Get Ready! (Get Ready!)  
For the One Time Show

Verse 2:

Every Soul  
Sings a song  
the audience sings along

My voice  
of God's grace  
Is Singing on every face

Till the break of dawn  
Or Till I'm long gone  
This show must go on!

Act one, act two-  
Before you know it, the show is through  
Right Here, Right now  
Make your mark and take a bow.

It's a one time show  
and I've gotta know...  
Do you Get the standing "O"?
