I look deep within, and I always find  
A Thousand thoughts clogging up my mind  
Life is Lost in the daily grind  
Every single day

I find it hard to fall asleep at night  
Sometimes I feel there's no hope in sight  
I pray to God, "Help me do what's right"  
and He answers back to say

Pre- Chorus:

Why worry?  
You don't need it?  
Give it to me!  
I'll receive it!

Chorus:

I want to see my peace  
Flowing in your eyes  
To have life abundantly  
More than you realize  
Be  
The God you long to find  
Have I not commanded you,  
You've gotta Unwind

Verse 2:

If life's for the lillies and for the birds  
I don't think it's quite as absurd  
that God has promised me in His Word  
I'm worth much more than these.

This whole world is under His command  
He holds my life in the palm of His hand  
When I don't have the strength to stand,  
He gets me on my knees.

Bridge:

Promised life abundantly  
I can do all things  
For Jesus Christ is the only one  
Who's given me all the strength!
