Praising yourself,
Do you know what you're doing?
Point blank when you hear what I say
No way you can wash away nature...
Do you know what you're doing...
Do you know what to say?
Dripping... Seeping

Dripping... Leaking
Dripping... Cabbages

Grazing away
Do you know what you're feeling?
You fool... do you know where you lay?
Do you know what I'm saying...

I'm gone, there's no answer... it's over
Do you know what I'm saying?
Dripping... Gigbutt
Dirt Pride... My pride

Dripping... Bunksock
Bathe... Bathe...
Commiserate...Commiserate...
I'm not about helping hopeless
Bored when I wash them away...
Internal a body at war with itself

Dripping... Seeping
And the bleeding I do... it's for me
Dripping... Leaking

Dripping... Cabbages
Bathe... Bathe...
Praising yourself

Commiserate... Commiserate
Point blank when you hear what I say

Do you know what you're doing?
Wash my fucking balls
No color, no code, no creed...
WAR
