FUCK YOU!

Dance you fuckers!

We're all fired up and ready to go
To give it all up at the metal show
Don't play it up
Don't play us some love
Just play this shit on the radio

FUCKER
YOU FUCKER
FUCKER
Get out of my face
Get off my case
You're a
FUCKER
YOU'RE ALL FUCKERS
And I don't fucking care
(Yeah yeah yeah)

Woah yeah
Damn

I've said it before
Now I'll say it again
It was all too much for the alien
So HEAVY - METAL - FUCK IT - ROCK!
We're doing it for you baby

FUCKER
YOU FUCKER
FUCKER
Get out of my face
Get off my case
You're a
FUCKER
YOU FUCKER
And I don't fucking care

Watch behind my eyes

Watch behind your face
Just understand it and
See the little fucker run
See the little fucker run

Watch behind my eyes
Watch behind your face
Just understand it and
See the little fucker run
See the little fuckers run
(run run run run run run run run)

Like I give a fuck!

FUCKER
YOU FUCKER
FUCKER
Get out of my face
Get off my case
You're a
FUCKER
YOU'RE ALL FUCKERS
And I don't fucking care
(Yeah yeah yeah)

FUCKER
YOU FUCKER
FUCKER
Get out of my face
Get off my case
You're a
FUCKER
YOU'RE ALL FUCKERS
And I don't fucking care
(Yeah yeah yeah)
(Yeah yeah yeah)
(Yeah yeah yeah)
(Yeah yeah yeah)
YEAH!
