I am the Antiproduct  
Rotten to the core  
Sell me the Antiproduct  
Rock me to the core

Sell me, tell me  
I'm the only one  
I am the Antiproduct  
Rock me to the bone

I am the Antiproduct  
Quantum-mechanically pure  
So you will show me, be automatic  
We must be perfectly sure

Sell me, tell me  
I'm the chosen one  
I am the Antiproduct  
Rock me to the bone

For sale!

I am the Antiproduct  
Rotten to the core  
Sell me the Antiproduct  
Rock me to the bone

I am the Antiproduct  
I am the Antiproduct  
We are the Antiproduct  
We are the Anti--

Anti-god-damn!
