plus Sugarhill Gang
i said hip hop
the hippie the hippie
to the hip hip hop, you don't stop rockin
to the bang bang boogie,say up jumped the boogie
to the rhythm of the boogie,the beat
now what you hear is not a test-i'm rappin to the beat
and me,the groove and my friends are gonna try to
move your feet
see i am wonder mike and i like to say hello
to the black,to the white,the red,and the brown,the
purple and the
yellow
but first i gotta bang bang the boogie to the boogie
say up jump the boogie to the bang bang boogie
lets rock,you don't stop
rock the riddle that will make your body rock
well so far you've heard my voice but brought two
friends long
and next on the mike is my man hank
come on,hank,sing that song
check it out,i'm the imp the dimp the ladies pimp
the women fight for my delight
but i'm the grandmaster with the three mc's
that shock the house for the young ladies
and when you come inside,into the front
you do the freak,spank and do the bump
and when the sucker mc's try to prove a point
we're treacherous trio,we're the serious joint
a from the sun to sun from day to day
i sit down and write brand new rhyme
because they say that miracles never cease
i've created a devastating masterpiece
i'm gonna rock the mike til you can't resist
everybody i say it goes like this
well i was comin home late one dark afternoon
a reporter stopped me for a interview
she said shes heard stories shes heard fables
that i'm vicious on the mike and the turntable
this young reporter i did adore
so i rocked some vicious rhymes like i never did before

she said damn fly guy i'm in love with you
the casanova legend must been true
i said by the way baby whats your name
said i go by the name of lois lane
and you could be my boyfriend you surely can
just let me quit my boyfriend called superman
i said he's a fairy i do suppose
flyin through the air in pantyhose
he may be very sexy or even cute
but he looks like a sucker in a blue and red suit
i said you need a man whos got finese
and his whole name across his chest
he may be able to fly all through the night
but can he rock a party til the early light
he can't satisfy you with his little worm
but i can burst you out with my super sperm
i go do it,i go do it,i go do it,do it,do it
an' i'm here an' i'm there i'm big bang hank,i'm
everywhere
just throw your hands up in the air
and party hardy like you just don't care
lets do it don't stop y'all a tick a tock y'all you don't stop
go hotel motel what you gonna do today?(say what)
i'm gonna get a fly girl gonna get some spank drive off
in def oj
everybody go hotel motel holiday inn
you say if your girl starts actin up you then u take her
friends
have you ever went out to a friends house to eat
and the food ain't just no good
i mean the macaroni's soggy and the peas are mushed
and the chicken tastes like wood
so you try to play it off like you think you can
by sayin your full
and then your friend says momma he's just being
polite
he ain't finished uh uh thats bull
so your heart starts pumpin and you think of a lie
and say you already ate
and your friend says man there's plenty of food
so you pile some more food on your plate
while the stinky food is steamin' you mind starts to
dreamin'
of the moment when its time to leave
and then you look at your plate and your chicken's
slowly rottin to
into something that looks like cheese
oh so you say thats it i got to leave this place
i don't care what this people think
i'm just sitting here making myself nauseous
with this ugly food that stinks

so you bust out the door while its still closed
still sick from the food you ate
and then you run to the store for quick relief
from a bottle of kaopectate
and then you call your friend two weeks later
to see how he has been
and he says i understand about the food
baby bubbah but we're still friends
with a hip hop the hippie to the hippie
the hip hip a hop,ah you don't stop the rockin
to the bang bang boogie
say up jump the boogie to the rhythm of the boogie the
beat
