I am nothing without pretend  
I know my faults  
Can't live with them

I am nothing without a man  
I know my thoughts  
But I can't hide them

I still keep my baby teeth  
In the bedside table with my jewelry  
You still sleep in the bed with me,  
My jewelry, and my baby teeth

I don't need another friend  
When most of them  
I can barely keep up with them

Perfectly able to hold my own hand,  
But I still can't kiss my own neck

I wanted to give you everything  
But I still stand in awe of superficial things  
I wanted to love you like my mother's mother's mother did  
Civilian, civilian
