"You Are Eternal"

I'm all ready.
Come on
And
Take me
Through it all...
Please lay down -
You're eternal
I'll never forget you...
For as long as we live
And forever after,
I will remember
You are eternal...
So don't let them
See you bleed or cry
And don't let up-

You'd leave us cold...
You're eternal
I'll never forget you...
For as long as we live
And forever after,
I will remember
You are eternal...
So, don't cry. (No, don't cry...)
For as long as we live and forever after,
I will remember, you are eternal...
