I feel like I'm drowning,
Trying to catch my breath
Don't know what is happening,
There's no sense of time

Deep underneath my skin,
Feeling the pain within, hear my cry...
I feel drowned towards you, I can't resist,
I don't know why
My life is changing, I cannot recall...

Where I've been before,
The abyss of your eyes,
Meaning so much more
Am I losing my mind?

The sun isn't shining,
Your eyes light my way
I've found what I've been searching for,
My love won't go astray

Deep underneath my skin,
Feeling the pain within, hear my cry...
I feel drowned towards you, I can't resist,
I don't know why
My life is changing, I cannot recall...

Where I've been before,
The abyss of your eyes,
Meaning so much more
Am I lost?

So many years my drifting heart has wandered around
Don't turn on me, won't you stay by my side?

I've found where I've been before,

The abyss of your eyes,
Meaning so much more
Am I losing my mind?
