"Alpha & Omega"

I am the earth and sky
I am the low and high
I am the snowflake in the winter evening

I am the birth and death
I am your final breath
I am the one that gave you life and freedom
Choosing your own way

Everything you've ever known
Every seed that you have sown
Came from me, I made you

My creation is supreme
This is all my perfect dream
No mistakes in God's great perfect cosmic play

I am the Alpha
I am the Omega
I am the beginning and the end of time

I am the Alpha
I am the Omega
My whole creation stands before me tonight

I am the dark and light
I am the day and night
I am the mirage, I am the echo

I am the fear and anger
I am a familiar stranger
I am the shadow, I'm a star that guides you
Till the end of time

Everything you've ever known
Every seed that you have sown
Came from me, I made you

My creation is supreme
This is all my perfect dream
No mistakes in God's great perfect cosmic play

I am the Alpha
I am the Omega
I am the beginning and the end of time

I am the Alpha
I am the Omega
My whole creation stands before me tonight

I am the Alpha
I am the Omega
I am the beginning and the end of time

I am the Alpha
I am the Omega
My whole creation stands before me tonight

The Alpha
The Omega

The Alpha
The Omega
