Fly the mountains
Pictures on my back
Hopeless feelings
Everything is black

What am I fighting for?
What am I living for?
(There) is a path that I don't know

You gotta fight!!!
Fight for your life!
Until you die!
Fight for your rights

Endless searching
In this cyber space
All is turning
Into a disgrace

What am I searching for?
What am I running for?
(There) is a path that I don't know

You gotta fight!!!
Fight for your life!
Until you die!
Fight for your rights

Fight for your life!
Until you die.
