You faded away  
And woe is all that remains  
And I have gone astray  
My mind full of fury instead  
I'm carrying a seed of insanity  
A burden of faded memories

Delusion, destruction, salvation  
Go on without saying

Hate in this creed  
Awareness so numb this time  
Underneath the skin  
You're still drooling in

And what I've come to find  
A state of mind  
I need to find a way to carry  
For my soul will once again be free

But first I need to bare it instead

Infernal maze  
I'm lost within an internal game  
Infernal maze  
My demons are calling out your name  
Infernal maze

Infernal maze  
I'm lost within an internal game  
Infernal maze  
My demons are calling out your name

Infernal maze  
I'm lost within an internal game  
Infernal maze  
My demons are calling out your name  
Infernal maze

These demons, these demons  
Haunting me, infernal maze  
Infernal maze
