Life will go on soon it is gone  
It's bigger that we can conceive  
Wink of an eye a thousand years  
Into eternity we shed our tears

I'm changing  
Rearranging my destiny

Learning to fly  
Touching sky on my way  
Learning to fly  
High above the sorrows  
To a new day I fly

Not where you stand nor where you are  
It matters only where you look  
To take the good with all that's bad  
It is the only way to go

The minutes, the hours  
The years run fast

Learning to fly  
Touching sky on my way  
Learning to fly  
High above the sorrows  
To a new day I fly

Learning to fly  
Touching sky on my way  
Learning to fly  
High above the sorrows I fly

Learning to fly  
Touching sky on my way  
Learning to fly  
High above the sorrows  
To a new day I fly
