Shades, shades of night  
I'm walking through sleeping village  
That is having a dream of thousand dreams

Moon is guiding my way through the land  
The snow is silently falling  
From the sky that is lit by million stars

Nightfall  
(Nightfall)  
I feel the breeze

Nightfall  
(Nightfall)  
On my face

Nightfall  
(Nightfall)  
And the trees are

Nightfall  
(Nightfall)  
Covered with white lace

Nightfall  
(Nightfall)  
I feel the breeze

Nightfall  
(Nightfall)  
On my face

Nightfall  
(Nightfall)  
And the trees are

Nightfall  
(Nightfall)  
Covered with white lace

Nightfall  
(Nightfall)

I feel the breeze

Nightfall  
(Nightfall)  
On my face

Nightfall  
(Nightfall)  
And the trees are

Nightfall  
(Nightfall)  
Covered with white lace
