I am facing the truth
I got to change the way I live
Can't go on this way
The price is too high to pay

After the rain I feel the sun
See how I run to my destiny

Life is a game
I got to learn how to play
I make my own rules
'Cause now I am free to choose

Courage and faith will show me the way
See how I run to my destiny

Like the Phoenix, I rise
From the ashes of life
I don't need fortune or fame
Just some peace of mind

Like the Phoenix, I fly
Leaving the lies behind
The future's golden for me
There is no one who can stop me now

I'm noble and strong
I'm walking down the road that I choose
Each day is a gift
And I know that I can't lose

A glorious future's awaiting me
See how I run to my destiny

Like the Phoenix, I rise
From the ashes of life
I don't need fortune or fame
Just some peace of mind

Like the Phoenix, I fly
Leaving the lies behind
The future's golden for me

There is no one who can stop me now

Like the Phoenix, I rise
From the ashes of life
I don't need fortune or fame
Just some peace of mind

Like the Phoenix, I fly
Leaving the lies behind
The future's golden for me
There is no one who can stop me now, now
