I feel like I'm drowning  
Trying to catch my breath  
Don't know what is happening  
(There's no sense of time)  
There's no sense of time

Deep underneath my skin  
Feeling the pain within  
Hear my cry  
(Hear my cry)

I feel drawn towards you  
Can't resist  
I don't know why  
(Don't know why)

My life is changing  
I cannot recall

Where I've been before  
The abyss of your eyes  
Meaning so much more  
Am I losing my mind?

The sun isn't shining  
Your eyes light my way  
I've found what I've been searching for  
My love won't go astray

Deep underneath my skin  
Feeling the pain within  
Hear my cry  
(Hear my cry)

I feel drawn towards you  
Can't resist  
I don't know why  
(Don't know why)

My life is changing  
I cannot recall

Where I've been before  
The abyss of your eyes  
Meaning so much more  
Am I lost?

So many years  
My drifting heart has wandered around  
Don't turn on me  
Won't you stay by my side?  
Oww stay!

Where I've been before  
The abyss of your eyes  
Meaning so much more  
Am I losing my mind?

Where I've been before  
The abyss of your eyes  
Meaning so much more  
Am I losing my mind?

Where I've been before  
The abyss of your eyes  
Meaning so much more  
The abyss of your eyes
