The time is running  
It's running so fast that you don't notice  
Years are passing by

And you're growing older  
What happened to all your dreams?  
Did they become true at all?

We cannot undo back deeds of years  
They leave on your own with deepest fears

Don't look for the future  
Don't live in the past just take it day by day  
'Cause life goes fast

The minutes, the hours  
The days and the years will fly so  
Live still when you have the time

We cannot undo back deeds of years  
They leave on your own with deepest fears

Wheel of the time  
Turns again tonight, eternally  
Decides our destiny

Wheel of the time  
Turns again tonight  
Without a rhyme  
Hands of time

We cannot undo back deeds of years  
They leave on your own with deepest fears

Wheel of the time  
Turns again tonight, eternally  
Decides our destiny

Wheel of the time  
Turns again tonight  
Without a rhyme  
Hands of time

Wheels of rhyme  
Wheel of the time  
Turns again tonight, eternally  
Hands of time
