It was just like yesterday  
When you chose to leave and I to stay  
It was a warm and sunny day  
But my heart felt as heavy as stone

Never told me where you went  
Then again I never tried to ask  
Now I know in life you have one chance  
and you better use it well

When the mountains fall  
And the oceans flood  
I'm still in search of you  
Only thing I want to say

I'm still in love with you

Finally I found your place  
Sadly I came three summers late  
Now I am sitting by your grave  
and I sing this song for you

When the mountains fall  
And the oceans flood  
I'm still in search of you  
Only thing I want to say  
I'm still in love with you

One last thing I have to say  
I'm still in love with you
