Throwing my dreams out of my mind
Casting them into the sky
Canceling tasks I've delayed for so long
Now it's do or die

I can't be seen, I can't be heard
But I am here and I am wondering

Will the sun rise tomorrow, will it light up my sky?
Can I wake up, no sorrow awaiting
Will the sun rise tomorrow? Will I still see the dawn?
And not worry, 'bout the future at all

At the end of each day
I promise myself, I'd better start to live
'Coz sooner or later, I'll find out
There's so much I can give

I can't be seen, I can't be heard
But I am here and I am wondering

Will the sun rise tomorrow, will it light up my sky?
Can I wake up, no sorrow awaiting
Will the sun rise tomorrow? Will I still see the dawn?
And not worry, 'bout the future at all
How're you feelin'?

Will the sun rise tomorrow, will it light up my sky?
Can I wake up, no sorrow awaiting
Will the sun rise tomorrow? Will I still see the dawn?
And not worry, 'bout the future at all

Will the sun rise tomorrow, will it light up my sky?
Can I wake up, no sorrow awaiting
Will the sun rise tomorrow? Will I still see the dawn?
And not worry, 'bout the future at all

Will the sun rise?
Will the sun rise?
Will the sun rise?
