Strawbs - A Good Woman's Love

I've been a roaming
By land and by sea
Till a good woman's love
Made a man out of me

Life had no meaning
It was all incomplete
'Till a good woman's love
Put me back on my feet

Instead of roaming
I go home in the evening
And she's waiting there
And I know that no matter what happens
She'll always care

And when the night falls
And the moon shines above
I'm a man with a dream
And a good woman's love
