Strawbs - Ah Me, Ah My

I'd like to live on a farm again like I did for part of the war  
I've got a few happy memories though we were rather poor  
But I can't go back, these days have gone  
I'm only reminiscing  
Ah me, things aren't what they used to be  
Ah my, in days gone by.

Just take a look at these photographs I took of baby and you  
They're rather brown but you still can see the love come shining through  
But a photograph's no substitute  
I'd rather have the real thing  
Ah me, things aren't what they used to be  
Ah my, in days gone by.

I've got a pile of old clothes upstairs that have come in style again  
I know they suited me but nowadays it doesn't seem the same  
'Cause I can't go back those days have gone  
I'm only reminiscing  
Ah me, things aren't what they used to be  
Ah my, in days gone by.
