Strawbs - All In Vain

The open book  
The telephone  
The tangled line  
The broken bone  
The monkey man  
The golden locks  
Forget me not  
The money box

Please don't break my heart again  
I looked for all  
But all in vain

The willing crew  
The even keel  
The sharpened knife  
The grinding wheel  
The jealous wife  
The binding trust  
Forget me not  
The cut and thrust

You tore my heart out in the rain  
I looked for all  
But all in vain  
A damaged heart can feel no pain  
I looked for all  
But all in vain

The miner's luck  
The mother lode  
The gambling man  
The master code  
The knowing more  
The caring less  
Forget me not  
The emptiness

We took the vows but few remain

I looked for all  
But all in vain  
Please don't break my heart again  
I looked for all  
But all in vain  
You tore my heart out in the rain  
I looked for all  
But all in vain  
Please don't break my heart again  
I looked for all  
But all in vain
