Strawbs - Heartbreaker

I need someone to call my own  
Someone to be near me forever  
I won't cry when I grow old alone  
So many chances I've never taken.

Heartbreaker  
I want her  
Heartbreaker  
I want her  
And I want love.

A heart that takes is soon to break  
A heart that is giving will give forever  
Now I've learned to give, so now I live  
Waiting for someone I can give to.

I can't believe this is happening to me  
I can't believe this is happening to me  
Won't let you down, won't let you down  
I'll always be around, always be around.

A heart that takes is soon to break  
A heart that is giving will give forever  
Now I've learned to give, so now I live  
Waiting for someone I can give to.
