Now I'm a union man  
Amazed at what I am  
I say what I think, that the company stinks  
Yes I'm a union man

When we meet in the local hall  
I'll be voting with them all  
With a hell of a shout, it's "Out brothers, out!"  
And the rise of the factory's fall

Oh, you don't get me, I'm part of the union  
You don't get me, I'm part of the union  
You don't get me, I'm part of the union  
Until the day I die, until the day I die

As a union man I'm wise  
To the lies of the company spies  
And I don't get fooled by the factory rules  
'Cause I always read between the lines

And I always get my way  
If I strike for higher pay  
When I show my card to the Scotland Yard  
And this is what I say

Oh, oh, you don't get me, I'm part of the union  
You don't get me, I'm part of the union  
You don't get me, I'm part of the union  
Until the day I die, until the day I die

Before the union did appear  
My life was half as clear  
Now I've got the power to the working hour  
And every other day of the year

So though I'm a working man  
I can ruin the government's plan  
And though I'm not hard, the sight of my card  
Makes me some kind of superman

Oh, oh, oh, you don't get me, I'm part of the union  
You don't get me, I'm part of the union

You don't get me, I'm part of the union  
Until the day I die, until the day I die

You don't get me, I'm part of the union  
You don't get me, I'm part of the union  
You don't get me, I'm part of the union  
Until the day I die, until the day I die
