Strawbs - Pieces Of 79 And 15

Pieces of 79 and 15
Drifting along a jumbly scene
Pieces of 79 and 15
Drifting along a jumbly scene.

79
Out of work people
Sitting on top of a barberous pole
Strippers who like it and fancy a bit
And parties and songs in the night.

15
More people but mostly the same
Girls down with love, tell me what can you do
Seeing your friends down a hole in the ground
With the ceilings and walls falling down.
