Strawbs - Queen Of Dreams

Spoke the Queen of Dreams  
I was Lord of the Forest  
Walked within her paths  
Sheltered within her bowers  
Pine needles for my pillow  
The dove my only true friend  
I was Lord of the Forest.

Spoke the Queen of Souls  
I was Lord of the Ocean  
Swam beneath her waves  
Sheltered within her shipwrecks  
Precious gifts I bring you  
From rusting hulls of the deep  
I was Lord of the Ocean.

Spoke the Queen of Heads  
I was Lord of the Mountains  
Scaled her highest peaks  
Sheltered within her valleys  
Climb high upon my shoulders  
I will show you the world  
I was Lord of the Mountains.

I had no head for heights  
But close my eyes to make the climb  
Oh Queen of Dreams  
Oh Queen of Souls  
Oh Queen of Heads  
It's time.
