Strawbs - We Can Make It Together

Like a high tree in the wind you are lost when you're
alone
Like a wild bird in a cage you are trapped inside your
home
If you don't accept the plan, you'd better get out while
you can.

We can make it together
If we try
Oh if we try.

As the mountain top is trash so the bottom is decayed
The machinery is aging, like a worn out coat it's frayed
The frown on every face is the national disgrace.

We can make it together
We can make it together
If we try
Oh if we try.

As people feel the burden of the crosses that they bear
The social fabric stretches until at last it starts to tear
So hold your backs up proud, you'd better shout your
name out loud.

We can make it together
We can make it together
We can make it together
If we try
Oh if we try.
