Strawbs - When You Were A Child

When you were a child you were a friend of mine  
And I loved you in my way  
But though we grew apart, and I lost touch with you  
It still seems like yesterday  
I haven't seen you in a long time  
Oh, but I bet you look the same way you always did  
When you were a child you were a friend of mine  
And I loved you in my way.

When you were a child you used to paint for me  
And I loved you in my way  
In time the paintings faded and were set aside  
They have now been thrown away  
I haven't seen you in a long time  
Oh but I bet you look the same way you always did  
When you were a child you used to paint for me  
And I loved you in my way.

When you were a child you used to laugh for me  
And I loved you in my way  
But as the laughs turned silver they cost too much  
You were far too grown to play  
Though I hadn't seen you in a long time  
Oh I just knew you'd look the same way you always did  
When you were a child you used to laugh for me  
And I loved you in my way.
