Strawbs - Who Knows Where The Time Goes

Across the purple sky all the birds are leaving  
How can they know it's time for them to go  
Before the winter fire we'll still be dreaming  
I have no thought of time.

But who knows where the time goes  
Who knows where the time goes.

Sad deserted shore, your fickle friends are leaving  
Ah but then you know, it's time for them to go  
But I will still be here, I have no thought of leaving  
I do not count the time.

But who knows where the time goes  
Who knows where the time goes.

And I'm not alone, while my love is near me  
I know it will be so until it's time to go  
So come the storms of winter, and then the birds in  
spring again  
I do not fear the time.

But who knows how my love grows  
Who knows where the time goes.
